Dear Mr Richardson

Following our telephone conversation on 3<sup>rd</sup> April 2015, I am advised that your trespass on our property is still active as per the pictures below.

This trespass must cease immediately, your goods be removed, and the boundary fence reinstated, or we will have no alternative but to recover our property and make good the damage at your expense without further notice. For reference, I attached copy of the Land Registry entry relating to your own property, and it is clear that there has been an infringement of the boundary.

Please give this your immediate attention, and advise completion to our office on 0161 429 5700.

Yours faithfully

Stephen Bower
